Direct Deposit

It's Fast, Convenient and Safe

Direct deposit means one less trip to the bank! With this service, your flexible spending account funds are available three business days after the transaction is initiated. Since your reimbursements are automatically deposited into your savings or checking account, there is no paper to be lost or stolen.

Additionally, effective immediately, you can ask Aetna to stop sending you paper Explanations of Payments (EOPs) for your FSA account(s). As a convenient alternative you can view FSA claim and payment information online on Aetna Navigator™. Online FSA information has been a popular feature of Aetna's member self-service web site for some time.

Follow these simple steps to eliminate your paper EOPs and view your FSA payment information online only:

- Login to Aetna Navigator at Aetna.com or from your employer's intranet.
- Select Changes and Requests
- Select Change Member Preferences
- Select U.S. Mail Options
- Select No to Flexible Spending Account (FSA) Statements

Aetna Navigator™ gives you 24/7 secure access to all your personal FSA information, including current and historical account balances, claim information and payment details. If you are not registered in Navigator, go to Aetna.com and follow the simple registration directions from the home page.
